

ULI and the Standardization Administration of China (SAC) signed a Memorandum of Understanding

On November 18, 2014, Underwriters Laboratories Inc. and the Standardization Administration of China (SAC) signed a Memorandum of Understanding (MOU) in Beijing, China. The MOU between ULI and SAC covers the exchange of standards information between the two organizations, staff participation on the technical committees of one another's organization, and cooperation on further standards development activity.

The MOU was signed by Robert A. Williams, Vice President - Standards, ULI and Wang Xilin, General Director, Standards Information Center of SAC.

The SAC (<http://www.sac.gov.cn/sacen/>) is the central accrediting body for all activity related to developing and promulgating national standards in China, represents China within international and regional standards organizations such as the IEC and ISO, and approves and organizes the implementation of international cooperation and the exchange of projects on standardization.
