

# WHY SHOULD I JOIN AN STP?

UL's more than 1,000 standards encompass UL's extensive safety, research, and scientific expertise and uncompromising focus on quality.

With over a century of experience in developing standards, UL's nearly 400 STPs are vital in supporting our mission to help create a safer, more sustainable world.

- There are no membership dues associated with STPs
- UL offers process training for new members
- Participation is open to all interested parties
- 24/7 online access to STP information and documents
- Volunteer to help draft requirements and address comments in your field of expertise

**LET YOUR VOICE BE HEARD IN THE UL STANDARDS DEVELOPMENT PROCESS!**
