REPORT FROM SCs/WGs/MTs TO TC 61
Secretariat
Theo van Huet
Date
June 9, 2021

Please ensure this form is sent to the TC 61 Secretary as soon as possible following the meeting of the SC/WG/MT, but at latest **by 06:00 p.m. on 2020.06.12** to Randi.K.Myers@ul.org and Grace.Roh@ul.org

SCs are to complete this report in order for the information to be applied in completing the TC 61 report to the SMB following the TC plenary due promptly following the plenary meeting (report to SMB due to CO by 4 weeks after plenary meeting for the TC and all SCs meeting since the prior TC plenary).
WGs and MTs are required to complete this form to give to TC 61 a good overview of their activities and eventual problems/proposals/questions of principle they may have. For WGs and MTs only the parts of this form pertaining to their activity and relevant for the info they wish to deliver shall be completed.

Title of TC 61
Safety of household and similar electrical appliances

Title of WG
Electrically heated blankets and similar appliances

Meeting dates
No meetings after the last IEC TC61 meeting.
Last meeting was on 18-19 September 2018. Only 2 delegates from 2 Countries attended.

Number of delegates

Number of countries

% of P-Members (for SCs)

Chairman of the meeting (name and country)

-

Theo van Huet - NL

Date next meeting (Approximate date at which the committee considers its next meeting should be held*)
None

Place next meeting

None

*When the SC/WG/MT is interested in meeting in conjunction with a plenary meeting of the Parent Committee TC 61, this is subject to the understanding that the secretary/convenor must submit a formal request to the Parent Committee at least six months before the date proposed for the meeting.

The TC61 meetings for 2021 have not yet been determined and information with regards to meeting location and dates will be shared once it has been finalized.

It is important to note that isolated meetings should, as far as possible, be avoided.

A. Questions of principle on which a decision is required (for SCs, include **questions of principle** on which a SMB decision is required). QPs should be written so that a decision – yes/no – can be taken by the Standardization Management Board.

There are no questions of principle for the time being.
